Dear Erving School Union #28 Families:

This evening, Massachusetts Governor Charlie Baker announced that all schools in Massachusetts will be closed for a three week period, with the earliest possible opening of school on Tuesday, April 7. This is one of many steps he outlines in response to the COVID-19 pandemic and the need for social distancing.

Massachusetts Commissioner of Education, Jeffrey Riley will be providing Superintendents with more information this week, and we will keep the Erving School Union #28 community updated continuously as information becomes available.

Sincerely,

Jennifer J Culkeen
Superintendent of Schools
